

## Pokini Tab FS6B

ROBUST AND POWERFULL IN ONE HAND

NFC

Protection against  
water and dust

LTE 4G

Robust and fall-  
proof

2D Barcode Reader

# Pokini Tab FS6B

## Display

|                     |                                             |
|---------------------|---------------------------------------------|
| <b>Size</b>         | 6,5" (16,51 cm)                             |
| <b>Resolution</b>   | 720 x 1.600 px                              |
| <b>Typ</b>          | IPS panel, capacitive, 5-finger multi-touch |
| <b>Brightness</b>   | 500 cd/m <sup>2</sup>                       |
| <b>Specialities</b> | Corning® Gorilla®-Glas                      |

## Technical data

|                   |                                                                                                                      |
|-------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>OS</b>         | Windows 11 IoT                                                                                                       |
| <b>CPU</b>        | Intel® Celeron® N5105<br>(4x 1,10 GHz up to 2,80 GHz with Intel® Burst-Frequency-Technic, 4M Cache)                  |
| <b>Memory</b>     | 8 GB (LP-DDR4)                                                                                                       |
| <b>Hard disk</b>  | 128 GB eMMC                                                                                                          |
| <b>Camera</b>     | • Front: 5.0 Megapixel<br>• Rear: 8.0 Megapixel                                                                      |
| <b>Wireless</b>   | • WLAN IEEE 802.11 a/b/g/n/ac<br>• LTE 4G<br>• GPS<br>• NFC<br>• Bluetooth 5.0                                       |
| <b>Sensors</b>    | • Accelerometer<br>• eCompass<br>• Light Sensor                                                                      |
| <b>Battery</b>    | Lithium-Polymer battery, approx. 4.000 mAh (changeable), up to 6h                                                    |
| <b>Interfaces</b> | • USB 2.0 Type-C™ (PD 3.0 45W)<br>• USB 2.0 Type-A™<br>• Docking-Connector<br>• Nano SIM<br>• Micro SD (up to 512GB) |

## Other data

|                        |                                   |
|------------------------|-----------------------------------|
| <b>Size</b>            | 183.1 x 88.6 x 24.1 mm            |
| <b>Weight</b>          | Approx. 470 g                     |
| <b>Warranty</b>        | 2 years Bring-In (Battery 1 year) |
| <b>Image stability</b> | Available until 2026              |
| <b>Extensions</b>      | • 1D/2D Barcode-Reader<br>• NFC   |

## Special features

|                                         |                                                                                              |
|-----------------------------------------|----------------------------------------------------------------------------------------------|
| <b>Environment</b>                      | • Operating: -20 °C up to +60 °C<br>• Storage: -30 °C up to +70 °C<br>• Humidity: up to 95 % |
| <b>Protection class &amp; standards</b> | • IP67<br>• MIL-STD 810H                                                                     |
| <b>Special functions</b>                | • 1D/2D Barcode-Reader<br>• NFC                                                              |

## Available accessories

- Hand strap
- Docking station
- Power supply
